Building Update:

New flooring has begun, room cleaning, and projects are getting started!

Safety Update:

We will reflect and plan for review of safety protocols for both staff, visitors, and students!

From Mrs. Izbicki and the HPS Staff:

Welcome to the Summer Newsletter! This newsletter will come out every other week to inform you of any summer work, dates, and other important information you may need to know.

Summer office hours are flexible and we typically are open from 8:00AM - 2:00 PM. Please understand we are operating on a day by day basis because of construction in and outside of the building. We may have to close unexpectedly so please call prior to

stopping by.

The new student orientation on August 25th is for students and parents who are **NEW** to Hollis Primary School this school year. I will be doing a quick orientation and you will have time to see the building. Teachers are not in the building at this time, so students and parents will not be able to meet their teachers. Teachers will send out welcome letters in August and parents can meet teachers on Open House night. Open House is for **PARENTS ONLY** so please plan in advance. Please mark your calendars all dates are on page one of this document.

Summer Work 2022! Flooring being replaced and orders are coming in!
