Building Update:

Flooring, roofing and other projects are complete. We are still installing the ASHP and are cleaning away!

Safety Update:

All new and returning staff will receive a basic safety protocol training the first days back.

From Mrs. Izbicki and the HPS Staff:

Welcome to August everyone! This time of year we start to really get excited about filling the halls with students! We cannot wait for the first day. It's not too far off so don't forget to begin those school routines:

1. Read, read, read - together, before bed, visit book stores, etc.
2. Build a routine - get up at the same time and go to bed at the same time
3. Help your child learn to build independence by practicing the following; putting on and tying shoes, making their

lunch (what they can), buckle and unbuckle in the car, etc.

4. Last but not least your child will look to you for comfort and reassurance, so the more excited you are about their first day the more likely they will be too!

All teacher letters and supplies have been sent. Our website holds the supply lists for all grade levels as well. Please know that each grade level has a list of supplies that are needed. Each individual teacher will have a “nice to have” list that would help but is not necessary.

The new student orientation on August 25th is for students and parents who are **NEW** to Hollis Primary School this school year. We will be doing a quick orientation and you will have time to see the building. Teachers are *not* in the building at this time, so students and parents will not be able to meet their teachers. Teachers will send out welcome letters in August and parents can meet teachers on Open House night. Open House is for **PARENTS ONLY** so please plan in advance. Please mark your calendars, all dates are on page one of this document.

New Door almost completed and New ASHP Installed!

Girls on the Run - Fall 2022

*We believe that every girl is inherently
full of power and potential.*

*As the leaders of their lives, these are
the girls that will change the world.*

About Girls on the Run

At Girls on the Run, we inspire girls to recognize their inner strength and celebrate what makes them one of a kind. Each session is led by trained volunteer coaches who guide and mentor the girls through dynamic discussions, activities and running games. Lessons are fun and engaging and teach specific skills and strategies such as how to manage emotions, help others, make intentional decisions, and resolve conflict. Girls can then use these strategies at home, at school and with friends. The program culminates with all participants walking or running a celebratory 5K event, which gives them a tangible sense of accomplishment, as well as a framework for setting and achieving life goals.

The 10-week program is for girls in 3rd, 4th and 5th grades
of all fitness abilities.

Practice Times: Tuesdays & Thursdays, 3-4:30 pm

Start Date: week of September 12

Location: Hollis Upper Elementary School

5K Celebration Event: November 19 (Concord, NH)

To learn more about Girls on the Run, registration or financial assistance,
please visit our website:

<https://www.girlsontherunnh.org/>

Program lottery registration will open on August 8

No girl will be turned away for financial reasons

This is not a school sponsored event.
