

TO: Any **JUNIORS** interested in taking the HBHS SAT preparation course  
FROM: *Hollis Brookline High School*  
DATE: Winter, 2023

---

Any **JUNIORS** interested in taking the 6-week winter SAT preparation course offered at Hollis Brookline High School should read and understand the following:

- Classes will begin the week of January 30<sup>th</sup> and run through the week of March 13<sup>th</sup>.
- Math class will be offered on Monday evenings and Reading/Writing class will be offered on Thursday evenings.
- You will be registering to take the SAT exam offered at HBHS in **March, 2023**.
- The only way to prepare for the SAT exam is to **PRACTICE** SAT exam questions and the strategies we will focus on with you.
- You should be prepared to attend **EVERY** class ~ these classes cannot help you unless you attend them.
- You should understand that there is a moderate amount of work involved in an SAT preparation course. You will be assigned **homework** by your Math and English instructors each week and you will be expected to complete these assignments in order to improve.
- You will not improve your SAT exam score simply by attending class and listening. You ***must*** be prepared to work hard and complete the at-home assignments.
- You will be given a mock exam that you can take at home and score. This is good practice and allows you to obtain a SAT exam score to let you know where you stand before you take the real SAT exam in **March**.

**\*\* POSSIBLE DATE/TIME CHANGES:** If weather or other emergency causes us to reschedule a class, you will receive an email with the new day and/or time. Missed classes may be made up on a different day of the week or classes might be moved to earlier in the afternoon/evening if bad weather is expected at a later hour. \*\*

- The cost of the course (\$350) covers your math and reading and writing materials, classroom instruction, and a final mock SAT exam.
- There is no guarantee of admittance into the HBHS SAT Prep program. The class will be filled on a first-come, first-served basis. Be sure to read ALL information in the email regarding the registration procedures.
- Students are required to provide their PSAT English & Math scores on the registration form. Please contact your School Counselor if you need help accessing this information.

***Please retain this information sheet for your reference.***
